

## **8. NAAC**

### **Internal Quality Assurance System**

Internal Quality Assurance Cell (IQAC) has significantly contributed for creating the quality in education by implementing quality enhancing scheme and practices. The IQAC has taken initiative to introduced quality initiatives. Promoted research culture. Faculties published reference books, articles through journals and E- Books. During last five years, faculties have published more than 34 research papers and articles on the behest of IQAC. This publication includes number of research papers in UGC enlisted journals also. and other digital databases. The faculties have also published books and chapters in books published by reputed publication houses of National and International standards. Further, IQAC recommended every department to organize conferences, seminars for the benefit of faculty members as well as students. So far during previous five years, various departments of college had organized class seminars and college level workshops and competitions. The IQAC motivates students to participate in conferences, seminars, research conventions.

**IT Facility:** IQAC has recommended increased use of ICT for Teaching Learning for which they have improved ICT facilities in the college. The institute purchased equipments i.e. LCD, Scanners, computer, laptops, printers etc. Currently, the college has 03 classrooms and auditorium hall.

The IQAC has encouraged faculties to develop e-contents and videos and posted on google classrooms. For online teaching, faculty used zoom, google meet platforms. Administrative and examination section are also fully supported with ICT facilities and necessary software.

#### **IQAC contribution regarding reviews teaching learning process:**

In order to review the teaching learning process the IQAC has taken initiatives. They suggested new methodology to conduct regular classes by using technology.

To assess learning outcome, the IQAC take rsubject wise review of semester end examinations' result and discuss the same with the concerning faculty memebrs in the IQAC meeting. They decide to take new measure to improve result.

Students feedback on teaching learning methodology is also discussed in the meeting held for result review.
