Best Practices

Various initiatives are taken by the institution for the promotion of gender equity such as sensitization campaigns, training, workshops, programs etc. A safe and secured environment is provided to all. There is secured college fencing, common rooms and grievance committees for various issues. Water conservation facilities are also available in the institution. Use of water harvesting, check dam construction in the college campus, and in villages adopted by NSS unit, plantation and waste management are undertaken. The college NCC unit is also very active unit. Students having "C" certificate have the benefit in getting jobs in the government security forces. Use of CFLs, LED lamps and other eco-friendly products with star rating minimized the power consumption. The college campus is full of greenery.

To meet energy crisis, the college has installed solar panel which solved the energy issue and maintained eco diversity in the campus. The college regularly conduct energy audit, green audit and environment audit to ensure eco-friendly functioning of the college.

Efforts are taken to keep the campus green and clean by carrying out environmental promotion activities. The institution has a barrier free environment by providing ramps, washrooms, human assistance. The institution promoted an attitude of tolerance and inclusiveness towards linguistic, cultural, communal and socioeconomic diversities. Every student is equally treated and the environment of tolerance and belief is maintained. There is NSS unit conduct awareness rally, cultural programmes, and celebration of birth anniversaries of visionary leaders. Value based programmes are conducted to sensitize students and employees to the constitutional obligations. A Code of Conduct is prescribed for all. Various National and International days and events are celebrated in the institute with great enthusiasm in various ways.
